

Notice on holding the HUST History and Chinese Culture Knowledge Contest for International Students

March 11, 2022

In order to celebrate the 70th anniversary of Huazhong University of Science and Technology and encourage international students to better understand the history of HUST and Chinese culture, School of International Education will hold the HUST History and Chinese Culture Contest for International Students in May. The relevant information is as follows:

Contest Arrangement

1. Phase I: Recruitment of contestants and team members——each school selects a team, including a teacher as the instructor, 3 international students, and 1 Chinese student.

2. Phase II: The preparation period——each team will make a promotional video for the contest. The video will include introduction of team members showing the good spirit of the team members and highlight their professional characteristics. School of International Education will send test materials for preparation every day online from April and the students can learn by themselves.

3. Phase III: HUST History and Chinese Culture Knowledge Contest for International Students——there will be several rounds of contest. The last three teams will be eliminated in each of the rounds and the remaining teams will enter the next round. The six teams in the last round will compete for the championship and runner-up.

Contents of the Contest

1. History of HUST——the development history of Huazhong University of Science and Technology, and the outstanding achievements the university has made in serving the development of the country since the 18th National

Congress of the Communist Party of China

2. Knowledge of Chinese culture and Chinese language ability——with traditional Chinese culture as the main component, supplemented by modern Chinese national conditions and lifestyles etc., Chinese geography, historical overview, ancient and modern scientific and technological achievements, Chinese art, clothing, customs, etc.
